Turku, Finland

27 - 29 November 2023

Arrival to Turku

- **Turku Airport** (from Stockholm, Riga and Gdansk). There is a direct bus from the airport to the city centre, which runs about every 20 mins. Tickets cost 3 euros (11 pm – 4 am 4 euros) and can be purchased through the [“Föli” mobile app](#), as well as with contactless payment on the bus. More information can be found [here](#). A taxi ride costs around 25€. All taxis accept credit/debit cards.
- There are also long-distance coaches from **Helsinki-Vantaa Airport** to Turku which take about 2-2.5 hours by several operators. The easiest is to plan your journey on the [Matkahuolto](#) website from *Helsinki Airport (Vantaa)* to *Turku yliopistollinen keskussairaala* (University – TYKS U-Hospital), *Turku Tuomiokirkko* or *Turku bus station*. Another option is to travel by train (first on a commuter train to Pasila, and change in Pasila to *Turku Kupittaa*). Tickets can be purchased online on the [VR website](#) or on the [VR App](#), as well as from the ticket machines on the airport train station’s platform.
